Complete Guide *to* Import from China

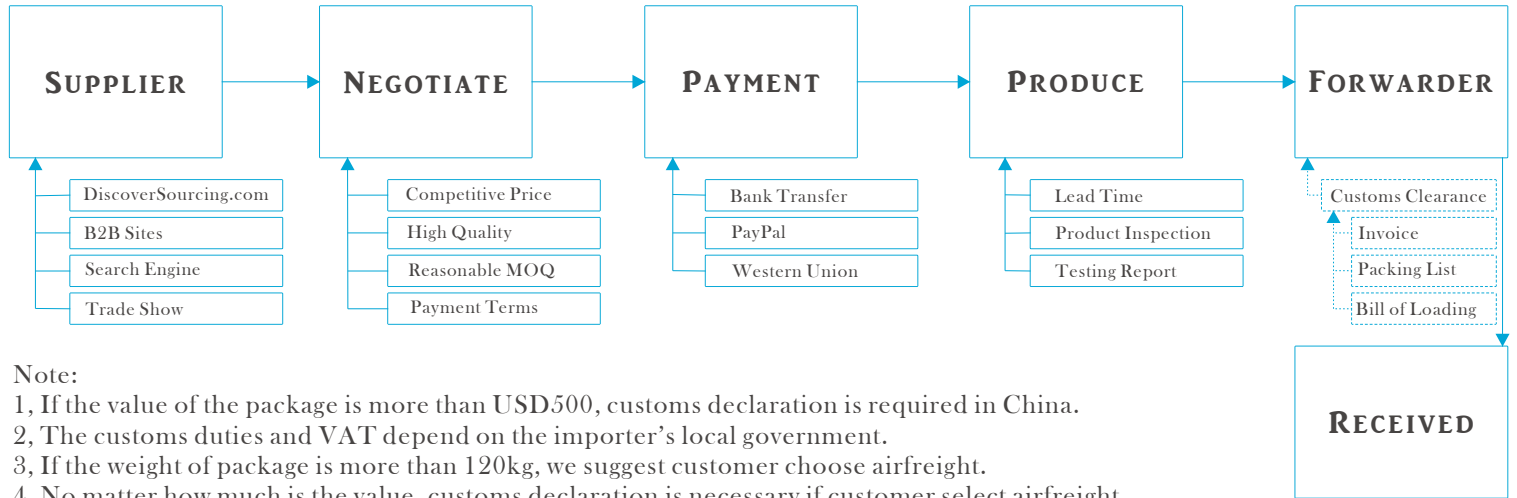

THE FLOW OF IMPORTING FROM CHINA

It is easy to import from China

A, BY INTERNATIONAL EXPRESS OR AIRFREIGHT

FOR SAMPLE OR SMALL SIZE PRODUCTS

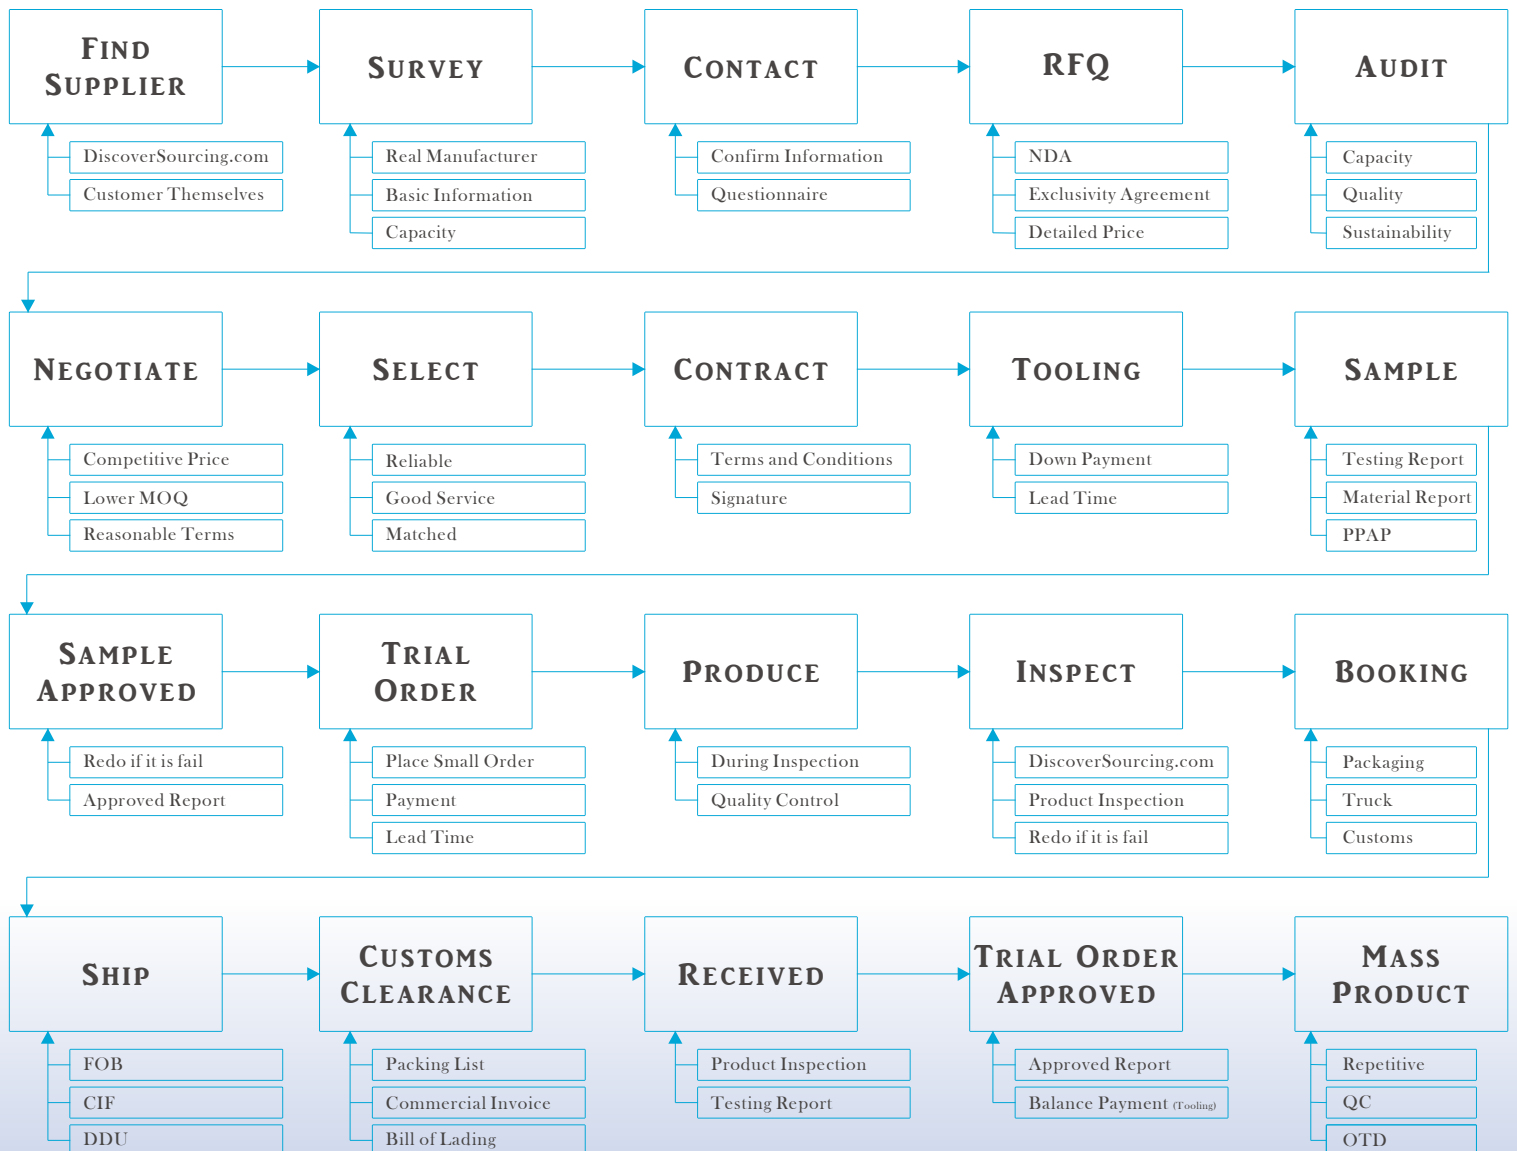

Note:

- 1, If the value of the package is more than USD500, customs declaration is required in China.
- 2, The customs duties and VAT depend on the importer's local government.
- 3, If the weight of package is more than 120kg, we suggest customer choose airfreight.
- 4, No matter how much is the value, customs declaration is necessary if customer select airfreight.

B, BY SEA

FOR LCL AND CONTAINER
